

Atlas 2428

5 : 3 : 2

Introducing the Atlas, a roomy family home delivering convenience with an attached self-contained 524 square foot ADU.

From a welcoming front porch, the Atlas opens up to reveal an open concept living area with enough living space to keep the whole family happy. The four guest bedrooms are located along the left side of the home with their own separate living space and full bathroom. The primary bedroom has a separate wing complete with ensuite and two separate walk-in closets. An expansive family living area – including designer kitchen, family and dining area – separates the main home from the 524 square foot ADU. The ADU has its own private entrance as well as optional access to the main home, separate living, full kitchen, bedroom and bathroom. Whether you are looking for permanent space for your parents, a rental unit, or a private space for guests, the Atlas provides the perfect space for your needs.
